

Hello family!

The "family of the Lord" conference held in the city of Caserta has just concluded.

We enjoyed the presence of brothers and sisters from all parts of Italy and beyond...such as: MESAGNE, ROSSANO CALABRO, SPEZZANO PICCOLO, NAPLES, SORRENTO, ROME, BERGAMO, VICENZA, AREZZO, PISTOIA, BOLOGNA, CIAMPINO, BARI, APRILIA, FLORENCE and some brothers also from the UNITED STATES.

The topic covered was, "THE FORGOTTEN GOD" (the Holy Spirit).

The topic was not easy to deal with, but the speakers with the help of His Holy Spirit managed to share with those present, some pivotal points of how the Holy Spirit can act in our lives. It was four days, of great spiritual nourishment. We had moments of study, of encouragement, of open discussion, of programs, but most of all lots of prayer!

Those who made the difference at this meeting were our young people, delighting all present with their WORSHIP to God that they rendered on Sunday, managing to involve us emotionally and spiritually.

What can I say in conclusion... I believe that seeing the brethren return home edified brings to mind the words of the apostle Paul when he says:

So you also, since you desire the gifts of the Spirit, seek to abound in them for the edification of the church. 1 Corinthians 14:12

At His Service
